Classic Lofty Views

If open space suits your taste, here's a sturdy stucco classic that fits the bill with style. The vaulted-foyer is flanked by a soaring living room with expansive arched window, and a formal dining room. Step up the stairs to the loft for a great view of the fireplace in the family room, leading to the spacious kitchen/dinette. While upstairs, notice the two bedrooms with walk-in closets and adjoining bath. The master suite, with its garden spa, private deck access and walk-in closet on the first floor, is just off the foyer.

Photos or renderings will vary from actual plan.
